Do you like where you are headed right now?
If Not time to get off the train!

This Story Has Three Movements.

A Crisis is an Event That Proves we are ALL capable of Change!!!

If you **had to** you would and will find a way!!!!

You ARE Capable Of Change!!!

In the absence of a crisis, you must create one!!!

"Change Happens When the Pain of staying the same is greater than the pain of change." Tony Robbins

How do we generate an internal crisis?

1. Drastic Action

- a. No Retreat (Burn The Boats)
- b. Quitting Is Not an option
- c. I have no B-Plans
- d. Sir Isaac Newton "First Law of Motion" (Inertia)
 - i. "Every Object will remain at rest or in uniform motion in a straight line unless compelled to change its state by the action of an **external** force."
- e. Everything is LAZY it does not want change.
- f. More Mass = more inertia (Brick...Balloon...Concrete Block...Bed of Nails)
- g. Baptism (Drastic Action)
- h. Fasting (Drastic Action)
- i. Delete some numbers from your phone

2. **Steady Progression** (18 Years pouring water)

- a. **Epictetus** “No great thing is created suddenly any more than a bunch of grapes or a fig. If you tell me that you desire a fig, I answer you that there must be time. Let it first blossom, then bear fruit, then ripen.”
- b. Sowing and Reaping
- c. Seasons
- d. Generations
- e. **Darren Hardy** “It’s time someone told it to you straight. You’ve been bamboozled for too long. There is no magic bullet, secret formula, or quick fix. You don’t make \$200,000 a year spending two hours a day on the internet, lose 30 lbs. in a week, rub 20 years off your face with a cream, fix your love life with a pill, or find lasting success with any other scheme that is too good to be true.”
- f. **10,000** Hours for tipping point
- g. **John Maxwell** “Improvement doesn’t happen in a day; it must happen daily.”

3. **Enjoy Momentum**

- a. Need community a team a small group
- b. Object in motion stays in motion
- c. Initial Launch takes more energy than the entire trip
- d. Get the right things set into place and in motion
- e. The Progression....Unbearable, Uncomfortable, Unstoppable
